#	RESPONSES	DATE
L	A playground for kids More waterfront dining options	1/14/2021 9:56 PM
2	I would like to see more emphasis placed on our natural surroundings including the islands, like a mini-CI interpretive center also offering some educational programs. Also, we need to update and spruce up the facilities. We also need activities indoor and outdoor. Such as a wine and paint shop, an independent movie theatre, kiosk lining the road with artisan wares and gourmet foods, a small, outdoor concert venue, harbor tours, more emphasis on the Maritime Museum and the Boating Center, a cool park for the kids, places to sit and talk, signs posters around the harbor at points of interest or with interesting harbor facts, a small aquarium with educational programs, a fresh market, a fresh fish market, a cute village feel, affordable, interesting shops and eateries that bring in tourists, a trolley, give it a funky, beach vibe. No housing.	1/13/2021 11:22 PM
3	Easier harbor access for kayaks and canoes.	1/8/2021 11:56 AM
4	new hotel and restaurant, revitalize fishermans wharf	12/30/2020 8:56 AM
5	Public launching docks for personal kayaks, paddleboards	12/28/2020 5:21 PM
6	Need to revitalize the restaurant scene and knock down the old hotel!, then new shopping and food options oriented toward the harbor views and activities	12/28/2020 2:49 PM
7	more areas to access and view the water. The hotel that is supposed to replace the hotel on Penninsula Rd is an eyesore, it has great water views, so does the dilapidated area on Victoria an CI blvd. Take them out and have restaurants and housing that make use of the views. WE need more public access walk areas along the water.	12/16/2020 3:05 PM
8	More public spaces catered to have my kids fish	12/8/2020 4:06 PM
9	Attractions	12/8/2020 12:23 PM
10	no more apartments!	12/7/2020 11:10 AM
11	Specifically activities for kids and more shopping and restaurants	12/6/2020 9:25 AM
12	Dont want it too crowded. Another healthy coffee ammothie place. Take out delii. It is freat because it IS quiet. We do not want another Ventura Harbor filled with tourists and noise and crowds	12/5/2020 8:35 PM
13	We own a home on the harbor in the north end of Mandalay Bay. When we are not there, we make the home available for guests to support the local economy. The things we enjoy about the harbor are what we promote with our guests. Our primary activity is paddling, swimming, boating in the harbor and make frequent trips to the Channel Islands. Clean, clear water in the harbor is the absolute top priority and main attraction. We also particularly enjoy walking, running, biking on the pathways throughout SeaBridge, and to a lesser extent the harbor. The public access pathways toward the north end are terrific, but less so on the southern portions of the harbor. It is really sad to see the poor condition of waterside property south of Channel Islands Bl. We frequently end up spending the day on the beach at Silver Strand or Hollywood. All of the above are the primary attractions that deserve the most attention. We have unfortunately been the victim of some criminal activity (theft) but were able to recover our property with the assistance of local law enforcement. The perception of public safety should be paramount if development is to be successful. We try to support local establishments & restaurants as much as possible, and improving options at all price levels will be a tremendous boost. We love to visit restaurants and other businesses by our Duffy, Kayak, or SUP. The transient dock between the fire station and Toppers makes that establishment a favorite, and across the channel a dock in front of Olsens/the Lookout/etc. provides similar access. The dock in Sea Bridge lets us access Yolanda's/Chipotle/Ciao/Buttercupall favorites. Channel Islands is the last undiscovered Southern California Beach Town and as such has tremendous potential for both residents (especially young families like ours), and visitors. We wholeheartedly support your efforts!	12/5/2020 8:02 PM
14	Shopping (boutiques), more restaurants, ice cream shop,	12/4/2020 6:35 AM
15	boutique shops restaurants pedestrian/bike trails all around the harbor upgraded parks for picnicing and kids play	12/3/2020 5:48 PM
16	It would be nice if it was revitalized with some nice restaurants and shops again like it used to	12/3/2020 4:32 PM

	be.	
17	Revamp Fisherman's ward and the peninsula.	12/3/2020 3:37 PM
18	Safe Bike lanes, bike friendly businesses, open streets, shops snd small businesses, restaurants, wineries,	12/3/2020 3:18 PM
19	Replace decaying properties like Casa Serene, Lobster Trap, Whale's Tales, Fisherman's Wharf ASAP	12/3/2020 9:31 AM
20	Need more businesses down here and need to clean up the derelict buildings and bring in more places to shop and drink like Ventura has.	12/1/2020 7:35 PM
21	no comment	11/29/2020 6:41 PM
22	Public spaces. Bigger board walk. Demo fisherman's wharf and develop business/housing. There is so much potential. Look at Ventura harbor for a example!	11/27/2020 5:46 PM
23	Boardwalk, more food venues and better safety	11/27/2020 9:11 AM
24	OPen spaces of landscaped parks Put palm trees on La Jenelle Park!!!!!!!!!! Make a bike path complete on water	11/24/2020 11:06 AM

26	i would like to see a place to put my kayak that is near the water	11/19/2020 2:03 PM

33	More resturants.	11/12/2020 12:53 PM
34	More restaurants. I'd like to see the two empty restaurants filled with a restaurant, not a museum or office space. E.G. Whales Tale & Lobster Trapthese are beautiful buildings that should be restored not torn down. We need more sit-down full service restaurants.	11/12/2020 10:48 AM
35	I think that the city should put together floating Christmas trees and put them in the harbor that is in front of the houses to make channel Islands Harbor more of a Christmas lights decoration destination like Long Beach / Alamitos bay does	11/11/2020 8:26 PM
36	Re-open a comparable Whales Tail Restaurant.	11/11/2020 5:27 AM
37	status quo	11/10/2020 10:28 PM
38	new good restaurants	11/10/2020 4:21 PM
39	Dinning, outdoor activities, walking and bicycling paths that branch out to surrounding neighborhoods improving access to the harbor	11/10/2020 1:32 PM
40	need luxury/destination hotel, more shopping	11/10/2020 11:47 AM
41	better and safer bike lanes/access. improved dining and shopping options, place to stroll the harbor, enjoy the community	11/9/2020 2:33 PM
42	More restaurants and higher end bars etc would seem to draw more people	11/8/2020 9:43 PM
43	Good restaurants, specially fish, Turist info and souvenir stores, Good fish market, Rebuild Fishermans wharf, hotels. No more apartment buildings, leave roads and parking for tourists and visitors. We have been coming to this harbor since 1976 and it is a sad sight today, a shame that a county can neglect a pearl like this. This could be the best harbor on the West Coast if there were people in charge that knew how to run it.	11/8/2020 1:26 PM

44	Pickleball Courts	11/8/2020 10:03 AM
45	Nine	11/8/2020 9:24 AM
46	Nicer parks	11/7/2020 2:18 PM
47	More park area around the Harbor. Parks for meeting and kids activities and families to enjoy.	11/7/2020 8:48 AM
48	A real RV park with hookups, more restaurants/shopping, increased fairs (art, car shows, etc)	11/6/2020 11:06 PM
49	Not sure, but certainly don't need more traffic which would make it more dangerous and congested here. It is a community centered area, not commercial centered. Love that Hollywood Beach is more a local beach and feels private.	11/6/2020 10:24 PM
50	Public places, new business, new dining, new shopping, etc. Entire area needs beautification. Woild love to see our harbor similar to Dana Point, Newport, or Ventura Harbor. What happened to Oxnard? It used to be a thriving, fun place when the Smith Family owned most of the property.	11/6/2020 5:14 PM
51	Live music	11/6/2020 4:14 PM
52	Return of fine waterfront restaurants, removal of the derelict Casa Serina Hotel, renovation of Fisherman's Wharf for shopping and dinning (not condos)	11/6/2020 1:33 PM
53	XXX	11/6/2020 11:02 AM
54	More community events: live music (get local musicians, high school bands/orchestras involved etc), movie nights, blood drives (bring blood drive mobile to parking lot and have local vendors there doing a food event as well-can all be done socially distant with masks for social safety etc), have performing groups perform that don't have stage to perform and just want to get word out, animal adoptions, kid events, car shows, truck shows, magic shows, military events with demonstrations, police/fire demonstrations for kids, personal safety workshops, home/garden showsmassive parking lot at wharf and harbor that is always empty and underused. LETS USE IT-prominently displayed and can be done with safe distancing/outside. Also there is the small amphitheater near VONS that is NEVER used. Let's use it for good, create covid friendly events and combat isolation created by pandemic in a safe way that could generate business for local economy while serving community.	11/6/2020 10:56 AM
55	better bicycle paths all the way to the ocean from the lighthouse, NICE lunch and dinner places	11/6/2020 9:49 AM
56	Restaurants. Shops. Hotel. More professional companies for water sport equipment rentals. (Make it look like Ventura Harbor shopping area)	11/6/2020 8:29 AM
57	Needs a place & community where people can hang out for hours, shop, and enjoy. Fisherman's Wharf once upon a time was that, but years of ignored maintenance and the failed idea of a massive apartment complex have take that away. In addition on Harbor Blvd there is so much unused parking spaces that could be convert into a festival / event type area the long strips of pavement there are much more conducive and are frankly wasted today. Why not attract smaller festivals, arts shows, and other types of activities beyond farmer's market?	11/6/2020 7:39 AM
58	A boardwalk on Silver strand beach, expanded beach parking with a skate park. Biking and walking paths wherever possible. Mixed use retail and residential on Victoria side to improve foot traffic without creating traffic jams.	11/5/2020 5:39 PM
59	Many more new businesses - restaurants, etc.	11/5/2020 5:25 PM
60	Look into the history books, it was a thriving facility in the 80's ?? . A good mix of a few more anchor chain restaurants like Toppers, with local flavor restaurants like Olsens. Maybe a waterfront Amphitheatre for summer concerts (3-5k seating capacity, hollywood bowl feel)Public Tennis courts.	11/5/2020 1:47 PM
61	night market	11/5/2020 8:59 AM
62	popular restaurants, amusement park, the wharf New England theme was a great idea just not designed well enough to make people want to come there and walk around. Needs to be a place for tourists and residents to shop, dine. Look at Mystic, CT as an example.	11/5/2020 6:55 AM
63	more boutiques and/or restaurants	11/4/2020 2:05 PM
64	fine dining restaurants, shops similar to Harbor Village in the Ventura Marina	11/4/2020 7:58 AM

65	Easier access to beach.	11/3/2020 3:38 PM
66	More restaurants, Outdoor music venue, Pedestrian boardwalk and bike path, hotel, move dry boat storage from prime waterfront to other side of Victoria	11/3/2020 1:32 PM
67	Activities for children & seniors	11/3/2020 9:44 AM
68	Juice Bar, Mexican Food Restaurant, Roller Stating, shell Shops, Museum with local history, Arcade, Arts & Crafts for kids and adults, photo booths, live sea creature muesem.;.	11/3/2020 6:10 AM
69	Just clean up the old hotel. Maybe an ice cream shop.	11/2/2020 8:23 PM
70	Shopping mall, and restaurants	11/2/2020 6:28 PM
71	More food options	11/2/2020 9:53 AM
72	Aquarium, Fun place for children, games and activities.	11/2/2020 7:19 AM
73	Nature walks, trails, restaurants. Designated bike trials. Picnic areas in natural dirt spaces. Trees. Hotels. Mixed-use and urban type housing without gated communities and public spaces if housing is built, with an emphasis to nature and native topography.	11/1/2020 2:54 PM
74	Bike paths, dog park, a place to have breakfast and coffee all declared a NO MASK ZONE (Viruses are very fragile and don't like salt or UV rays).	11/1/2020 10:05 AM
75	None	10/31/2020 4:49 PM
76	more restuarants bars	10/31/2020 11:36 AM
77	Good Restaurants, not fast food. Nice/fun art and clothes shops. Nicer amenities, not rundown docks, sidewalks, etc. No more adding buildings, utilize existing or remodel. Keep it more of a harbor for locals and our community then try to bring in people from all over the place and cause too much traffic and too many people trying to utilize a relatively small harbor.	10/30/2020 10:08 PM
78	More restaurants. A higher visibility museum. Entertainment attractions	10/30/2020 11:35 AM
79	Community events like the Seafood Festival, etc. that used to occur here. More incentive for businesses, especially restaurants. Keep the County Supervisors in check in terms of the ridiculous fees they charge. They've robbed the harbor in the past, building a park in Camarillo with funds from CI harbor.	10/30/2020 10:54 AM
80	When COVID-19 crisis is over I will be happy to return to activities held there in the past. Food Truck days would be good too.	10/30/2020 8:47 AM
81	more outdoor seating for restaurants	10/30/2020 6:49 AM
82	concerts (like Ventura's "Rock the Dock") kid friendly activities educational activities - when will the museum open again?	10/29/2020 6:04 PM
83	More outside activities such as concerts, car shows, festivals, outdoor movies	10/29/2020 3:58 PM
84	Shops, (Safer) bike lanes throughout Harbour,	10/29/2020 11:17 AM
85	shops , restaurants, prominades to walk	10/28/2020 5:16 PM
86	upscale shops clothing, good jewelry, dining , Senior housing in Fisherman's wharf, Rebuild Casa Serena. All with rents that make it possible for these businesses to survive.	10/28/2020 2:58 PM
87	better and more affordable restaurants More small. independently-owned shops low or no cost activities i.e. Morro Bay Chess board	10/28/2020 1:49 PM
88	variety of waterfront restaurants, wineries and breweries to attract 25-45s, shops, areas for live music, sea life museum, affordable harbor cruises, children's park/play area, picnic/green space; shuttles (land or sea) to go from the harbor to fisherman's wharf and the nearby beaches and residential communities; there should be enough to do and see so people could spend 1/2 day to a day there; outdoor dining with a view (not enough in Ventura County)	10/28/2020 1:26 PM
89	More restaurants and safe walking areas.	10/28/2020 12:59 PM
90	The Warf, dinning, shopping and hotels.	10/28/2020 10:19 AM
91	Open space, community marine science education is greatly needed as well as local retail	10/28/2020 10:08 AM

	businesses.	
92	More shops and restaurants. Places for tourists to spend money, and enjoy our beauty.	10/28/2020 9:53 AM

99	Better dining choices	10/27/2020 8:49 PM
100	More restaurants, shops,	10/27/2020 7:46 PM
101	Having better walking areas. Those not closed off by nasty looking apartments.	10/27/2020 7:08 PM
102	Higher end restaurants like what was available 25-30 years ago.	10/27/2020 1:46 PM
103	bike racks	10/27/2020 1:43 PM
104	There is no Flow to the Place. The Theater is on the opposite site of Restaurants. We need to have a central location where people can shop, play, eat, and boat.	10/27/2020 11:53 AM

139	The open spaces are wonderful and could use more picnic tables. Upgrade restrooms. Connect each side of the harbor with congruent walking paths. Examine bike path connections on Harbor and Channel islandit is not clear or safe at this time. Reduce speed limit on Harbor Blvd south and get blinking lights at all cross walks especially by the farmers market!	10/25/2020 12:21 PM
140	More walking paths. Having to go along Victoria is very dangerous without sidewalks. Love to see a few more restaurants and shops. Needs a little sprucing up, entrance along Victoria is dirty, filled with trucks not inviting.	10/25/2020 12:07 PM

169	A modest addition of restaurants and shops, live/work spaces, NOT large residential buildings. Keep open space OPEN. We don't need another Seabridge-style development. 185	Public docks for duffys / kayakers / paddle boarders to pull up at to go grab a bite to eat or a coffee. Commercial Center at Channel Islands & Victoria is a disgrace. Rehab that place. It used to be a cool fun destination with great personality/charm. Now it looks like an abandoned distressed property. Think too of tying in the dunes to the west of the northern part of the harbor. They are a unique and beautiful area. The wire fence along Harbor is ugly and makes it feel like the dunes are a dumpsite or an area waiting for development. Some sort of aesthetically pleasing fencing to bring the dunes into focus as a beautiful local resource and part of the harbor environment would be a plus. Add pickleball to the tennis courts in Peninsula Park. Courts in Ventura regularly attract 20+ players. Oxnard has no pickleball courts / its an activity that seniors and super seniors can play / would create a hub for more activity on that side of the harbor.	10/23/2020 6:38 AM

235	Revitalized retail and Hospitality. A scaled down retail center similar to Pike's Place Market in Seattle. That type of kiosk driven center would be a year around benefit for both residents and visitors. It could provide permanent kiosk spaces, which are cost effective for retailers, with may of the vendors now offering their products at the Farmer's Markets as likely tenants. Local retailers would have a year round venue to show off the region's produce, wine, seafood, flowers, crafts, artwork, etc. The marketplace would be a draw to the entire harbor and benefit the existing harbor businesses.	10/21/2020 11:09 AM

255	My uncle is a commercial fisherman so I have spent my entire life visiting the channel islands harbor. I feel like in the '80s it was a lot more active and there was so much more to do. It came back to life a little bit when the farmers market was often in the parking lot which I enjoyed. Now however, the times that we've gone we just don't stay very long because it's just not inviting and I feel like there's not enough to do. Would really love to see more shops and restaurants, and something fun for the kids! We used to love the carousel at the Ventura	10/21/2020 6:31 AM

harbor, so some sort of arcade for families would be amazing. It would be nice to go eat walk shop and hang out at the harbor with the kids for the day. 317 Not sure, I like the different things like car shows and similar activities. Maybe hosting other yearly events like a harbor seafood or boating (anchored on the museum) festival or ethnic festivals that can take advantage of all that parking. Apologies if I've missed those, but I've only been to a couple of car shows down there.

More housing to serve the business community, more access for retail and water sport rental companies (2 rental companies shouldn't be able to dictate who else can come to set up business). There needs to be more synergy between the community, businesses and visitors. The locals don't seem to want the harbor improved so it is in a horrible state of disrepair. 482	A seamless way to walk and bike from one side of the harbor to the other. There are to many eye sores in the harbor. The old Casa Sirena, Fishermans wharf and the Paxil's between Vintage Marina. The homeless population has taken a hold of the Casa Sirena and turned it into their playground. I don't understand why the city and county can't get on the same page and get things fixed. Both parties are loosing thousands of not millions in revenue.	10/12/2020 9:14 AM
483	Large children's play area. More dining options.	10/12/2020 8:58 AM

488	There should be a revival of the harbor shopping areas that includes more local restaurants and shopping. The areas should not, however, be over commercialized or geared to far to tourists. The Channel Islands Harbor in particular is kind of a ghost town, with just a few restaurants and not much else. There should be more community activities such as workshops, children's activities, and recreational sports for all ages.	10/12/2020 7:20 AM

504	Restaurants. Services. Shops. Activities. Contiguous public access walking and bike path around the water like Seabridge area. Public docks with services so we can take Duffy's to restaurants and areas like near Toppers. Should be an outdoor activity Mecca. Parks and open spaces along walk/bike paths. This should be the pride of the area. A true gem that is an upgrade over the Ventura harbor. Hotel project would be great and demoing the abandon hotel should be top priority. Or a concert venue w/surrounding seafood restaurants and shops (old Fisherman Village?) So much potential to draw tourists and locals to the various spots along the beautiful CI harbor. With some infusion of care, new vision, and yes, money, this area could really be a sought- after destination.	10/5/2020 6:01 PM

896	First of all, there needs to be a reason to even drive all the way down Harbor or Victoria. If you're not local and don't utilize the farmer's market or the mostly quiet beaches, I can't see "tourists" making the trek and they don't. There needs to be some quality shops and restaurants. There needs to be a quality hotel. The Embassy Suites' vibe is so shabby and dated, that place needs a major overhaul. And, there needs to be another choice for lodging that is actually decent. The water taxi should be a real thing. The harbor is large and would benefit from not having to get in your car to get from one channel to another. Additional public spaces (tables, benches, canopies, etc.). A cohesive theme, as there are several different areas around the harbor. Each of them has a random feel. There's the weird deserted corner of Victoria and CI Blvd, then on Peninsula you have Topper's in the middle and nothing else (deserted hotels and Lobster trap), then the two separate "shopping"/dining areas along Harbor Blvd. in Hollywood Beach. It's all so disjointed. I can totally see the whole area bustling with the right kind of businesses, shops and restaurants. I love the area, my daughter and I spend many Sunday mornings at Honey Cup and the farmer's market. But there is so much more that could be happening here. I've often thought about this very topic. I'm a lifelong Ventura County resident and I've told my daughter many stories of brunches at the Lobster Trap and proms	10/5/2020 3:05 PM

	and formals that began at the Whale's Tail. Many fond memories for me. I hope that this really special area can be revitalized and woken up again :)

962	public spaces, dining	10/5/2020 2:13 PM
963	?	10/5/2020 2:12 PM
964	This is difficult to answer since our current pandemic restricts many of the activities that would otherwise be nice to see at the CI Harbor. Larger walkways along the waterline like at the Ventura harbor would be nice. Then more dining and shopping merchants could be added.	10/5/2020 2:12 PM
965	More restaurants and activities for kids.	10/5/2020 2:11 PM
966	More restraunts and shops. Camping facilities. More rental facilities.	10/5/2020 2:11 PM

975	More restaurants, more shops, family fun activities	10/5/2020 2:07 PM
976	A boardwalk aligned by nice shops, restaurants, a place to hang out where everyone can enjoy. New businesses have to be something cool, unique and can attract not just the residents but other people from different cities. There should also be more fun activities to do which Ventura County lacks.	10/5/2020 2:06 PM
977	An open air concert venue aka "concrete pad w/ electricity access and grass" (not just outside of restaurants/bars). Ventura can do a better job with it's music scene in relation to other cities, and it would attract many if it had well-known musicians.	10/5/2020 2:05 PM
978	More inclusive and welcoming	10/5/2020 2:05 PM

10/5/2020 1:59 PM

989 Things/activities for a family to do together. Currently there is nothing at the CI Harbor that would inspire me to make the drive through Oxnard or Ventura to get there - too much traffic, and the shops/restaurants just aren't worth it. A great playground/center for kids would be nice, or a restaurant like Padaro Beach Grill in Carpinteria that has lots of outdoor seating to eat/drink while kids play in a sand box area.

990	different types of shops	10/5/2020 1:59 PM
991	different activities	10/5/2020 1:59 PM

993	higher end restaurants, events like bands or activities, possible rides for kids,	10/5/2020 1:58 PM
994	I would like to see more vendors at the Harbor and the prices for the spots at the Harbor to be cheaper. With most of the businesses closing, it is important to help the small businesses survive.	10/5/2020 1:57 PM

.001	UNK	10/5/2020 1:52 PM

012	Playground for children	10/5/2020 1:45 PM
.013	I'm not sure if the Seabridge area is considered part of the County's Harbor purview, but if it is, then everything south of the Harbor bridge, specifically Fisherman's Wharf, needs to look a lot like Seabridge. The County and City need to get their act together and revamp condos, shopping, live events, and walking areas	10/5/2020 1:45 PM
.014	3 nice restaurants	10/5/2020 1:45 PM

1046	I think more festivals/theme days/community scavenger hunts/etc in which all businesses are involved. Also to somehow connect the Hotels on Peninsula to the restaurants on Harbor. To eliminate the vacant buildings on Peninsula/CI Blvd with either thriving businesses or residential/commercial. The vacant businesses on that corner is the first thing you see on that side of the Harbor.	10/5/2020 1:34 PM

1052	more activities for children.	10/5/2020 1:33 PM

1073	more restaraunts	10/5/2020 1:26 PM
1074	I like to see more family events, after COVID of course. We typically will go down to the CI Harbor for the Christmas boat light parade, eat at a restaurant, go for a walk, and farmers market. It would be nice to see more retail shopping and eateries. A small family friendly museum educating patrons of the local marine life, history and environmental awareness would be amazing as well. to show/sell work. Have a schedule of interesting weekly events to attract people all year round. Even free events, like concerts, encourage people to spend money at the harbor. Help the small businesses advertise to increase revenue for everyone. Hire a manager (NOT a politician!) who is passionate about growing the harbor as a destination as well as a beautiful part of our neighborhoods. Look at Ventura Harbor. We should be able to compete with them but instead they just make our harbor look bad in comparison. Stop the politics and do something constructive to get the harbor back on track!

1298	The majority of the docks are locked off to the public, and the public dock is mainly for launching boats. It would be nice for the public to have a large family oriented play space near the water with a launch and docks for kayaks, sups, fishing, etc. I live on the harbor and my boat slip is right out my door. I watch many people walk by with children, and the only play space I can think of is Peninsula Park and I don't believe there is a safe launch area, plus the docks in front have large vessels pulling up to clean out their black tanks. It's a park on the water without much water access for families. Hobie Beach and Kiddie Beach are pretty small especially when the tide is up and the parking is limited.	10/4/2020 3:11 PM

After the village was effectively killed with the wrong vendors I moved to Ventura Harbor.	10/4/2020 2:29 PM

1330	Restaurants, farmer's market, family activities, festivals, aquarium. A study of prior business closings/failures and a plan to mitigate those causitive factors i.e. county lease structure and excessive rates. 1400	A whole new do over. The harbor is second rate, it should have shops, restaurants and boating activities for visitors. It looks run down, not care for . It has so much potential.	10/3/2020 12:03 PM
1401	Destination worthy hotel(s) Quality, non-chain restaurants with doc parking. Maybe partner with other fish markets from Ventura or Santa Barbara harbors or open something similar such as Santa Barbara fish market for high quality seafood. (Sea urchin!) Wine shops. Oyster bars. 7 days a week Oxnard/VTA county produce market- food education. We have the best produce in the country! Incentivize farmers to sell us more local produce with an actual market which shares a slice of what we ship out across the nation 7 days a week- and waterside! (We do not eat enough of our healthy homegrown foods) Upgrade parks for children. Small business support- leases that make sense. Heck, bring a dentist office in there, just bring foot traffic. Add classes to teach kayakers and jet ski riders how to actually safely paddle in the channel-it's a mess and dangerous. I grew up in the harbor - this place used to thrive now it's been decades of what could only be described as horror movie set (fisherman's wharf) The financials have not been handled responsibly and resulted in failing business and lost opportunity. Shame. Our downfall is earning potential with high rents and housing costs, and behind in times. With remote working, and checking in with technology upgrades, I think we have a strong shot we can make something healthy with the last piece of affordable coastal living. We don't need a Cheesecake Factory - we need the pride of Oxnard's soul to shine. Let this be a place where people not only want to retire, but where people want to start their families, too! Might not be a bad idea to reconnect with Hollywood and have them film a Quentin Tarantino at the wharf before it's remodeled. Get those dollars.	10/3/2020 12:00 PM

Plant native landscapes with oak trees and sycamore trees rather than an unending amount of bs palm trees that look like crap and are half dead because we're not Hawaii, and we're not Florida. Focus on being local and being different. Celebrate the history or the farming that once stood where the harbor is now. Have restaurants that focus on local seasonal produce. Have a range of restaurants from taco stands to fine dining. Reintroduce wetlands and have educational plaques that teach about native plants and animals that will help people in the area understand the ecosystem that our coast provides. We're lucky to still have a shred of open space along the coast. Celebrate it at the harbor and point our how unique it is for Southern California. Just be different. We don't need another new port harbor or marina del Rey. No more housing in the harbor. It's dense enough without adding crappy apartments that are built to turn into the slums of the future. We don't want a San Fernando by the sea. Champion the blue collar salt of the earth communities, keep it natural, and keep it local to Ventura county.	10/2/2020 11:28 PM

More festivals, carnivals, summer solstice festival etc. (The Strawberry Festival, Chowder Festival, Pirate Festival, Food and Wine Festival Crazy Hawaiian Shirt Festival among others all started at the harbor and are basically all no longer here). Bring Fireworks for 4th back. Better advertisement for Christmas Boating Parade. Tear down the Casa Serina Hotel. I also believe the harbor should look into privately backed indoor boat rack storage with lift service in / out. Very successful on the east coast (Florida).	10/2/2020 1:34 PM

1662	more shopping and dining	10/2/2020 1:24 PM
1663	Question 7 is misleading - the Harbor is poorly planned to make the most of any of those selections. There needs to be a logical flow for visitors to enjoy blended activities - family picnic with shopping or boat or kayak rental or Boat rental with options to park and dine (no guest docks), tourist attractions - if you do not know the Harbor you could get very confused about what is on the other side	10/2/2020 1:24 PM

1809	I like too walk	10/2/2020 11:15 AM
1810	Tactfully bring in some more restaurants and/or shops. But factor in that we are far from the freeway with a tourist harbor BETWEEN us and the freeway. We are at the "end of the road." Do NOT try to turn this into Long Beach, Marina del Rey, with huge apartments at the old Fisherman's Wharf and stretching down Harbor Blvd., creating traffic jams and headaches for the community. Let CIH continue to be the one remaining place in Southern California that has not been destroyed. Something that is a strong marketing tool: CIH is by far the best harbor in the region for recreational boaters, especially sailboats. That itself should be marketed, no one seems to "get it." Right-sized for easy ingress and egress. The big turning basin to be able to turn into the wind and raise and drop sails - and fuss with them if you need to. Ventura is crowded and can silt in. Santa Barbra - you have to own a slip. MdR is massive - you spend half an hour just getting out - and no too far to get to an island. The specifics of our harbor's design should be a marketing tool point. Ventura has shops, but I'm talking as a sailor, market this as a sailor's harbor. BTW: putting "boating to the Channel Islands" together with commercial fishing is illogical. It goes with recreational boating. They are, together, #1 for most recreational sailors/boaters.	10/2/2020 11:13 AM
